

Dear Hotelier,

Your property has been requested to participate in the ehotel AG 2021 hotel program.

ehotel Service provides a comprehensive and attractive hotel program for business travelers which is available for password secured corporate intranets and corporate booking tools only.

Our company also provides group and meeting solutions as well as listing of sustainable hotels.

A growing number of corporate clients using the ehotel booking engine in their corporate intranet

- to process professional and effective online hotel reservations worldwide
- to organise central billing for hotel reservations worldwide

Participate in the hotel program **free of charge** by

- quoting **commissionable** rates
- discount on BAR or fixed consortia rate
- bookings via GDS (Amadeus) or Dhisco/Pegasus Interface

Please respond by **December 1st, 2020**.

kind regards

Roland Gegenfurtner
