Here's How Six Hotels Stand Out

VOLGA
Mexico City, Mexico

A Michelin Key-awarded hotel certified by Queer Destinations, VOLGA embeds inclusion into its DNA. From leadership hiring to guest care, an internal growth program supports equitable promotion opportunities, while cultural sensitivity training ensures every guest feels respected and celebrated. New social impact initiatives empower employees to connect around causes that matter.

The Watergate Hotel
Washington, DC, United States

This iconic hotel offers a robust foundation for DEI with onboarding training, cultural celebrations, and mentorship initiatives in development. Their commitment to inclusive service extends to accommodating cultural and accessibility needs with care and intention, setting a strong example in the capital city.
